St Bernadette's Primary School

Thursday March 5th - Learning Helpers Workshops - INVITATION

9.00-9.30 am (session 1)

or

2.45-3.15pm (session 2)

At St Bernadette's we value our parents and carers and believe our student's learning is most effective when the school works in partnership with the home. We actively encourage parents and carers to come into the learning space and help in all curriculum areas, especially in Literacy and Mathematics.

Potential helpers are asked to attend an information session, so that they are fully prepared and have a good understanding of how Literacy and Mathematics are taught and operate in the learning space.

If you are able to attend we ask that you fill in the slip below and return it by Friday February 28th

We thank you in advance for your support and we look forward to celebrating your child's learning.

Yours sincerely,

Sean Walsh
