## Meet N Greet Conversation Sheet for

---

Dear Parents and Guardians,

Research continues to show that children learn best when families and schools partner together. At St Bernadette's we believe that in order to build partnerships, it is important for us to first establish and strengthen relationships with each and every family.

We invite you to meet with your child's class teacher during a Term 1 Meet 'n' Greet time, to begin and continue to build these important relationships. Please see the attached "School Interviews" guide.

To help prepare for the conversation with your child's teacher, please take the time to sit with your child at home and talk about the following prompts.

We look forward to having this conversation with you and working with you in Partnership for the 2020 school year!

Tell me why I am lucky to have your child in my class...

Tell me about your child's strengths, their achievements, what they like, what they enjoy doing...

Tell me about your child's challenges, what they find difficult, what they dislike...

What can I do to best support your child's learning?

I am really interested in hearing/learning about/getting to know your child more.

Tell me about what they are like ...

- during extra-curricular activities (for example, swimming, language school, soccer, dancing...)
- with their friends
- at home

Is there anything that you would like to share with me about your child and family?

Does your child speak any other languages at home?

Who lives with your child?

Does your child have any medical conditions/allergies/anaphylaxis/asthma? Is their asthma or anaphylaxis plan up to date?

How will your child be getting to and from school?

Please provide me with your best contact details for...
