4<sup>th</sup> March 2021

Dear Parents/Guardians,

The Victorian Primary School Nursing program is a free health assessment service offered to all children in Prep.

Attached is a School Entrant Health Questionnaire (SEHQ) for you to complete about your child's health, development and wellbeing. The information obtained from this SEHQ will assist the Primary School nurse to complete your child's health assessment. A health screening will be performed if required, information and advice given as needed.

**Please read, sign and return the attached form to the Classroom Teacher by Thursday 18<sup>th</sup> March, 2021.**

If, for any reason, you do not wish your child to be assessed through the School Nursing Program, kindly cross out the green box on page 3 and write "I do not want to take part", and return the envelope all the same.

Should you require assistance in completing the questionnaire, please do not hesitate to contact the classroom teacher or the office.

**DO NOT destroy the envelope but return it to the school regardless if you wish to participate or not.**

Thank you,

Brendan Gill  
Principal
