1. **ALL students with asthma MUST bring their asthma pumps to all excursions**
2. **Students with allergies MUST have appropriate & up to date medical plans submitted to the school, prior to excursions.**
3. **PLEASE ENSURE ALL DETAILS ARE CORRECT AS WITHOUT YOUR PERMISSION YOUR CHILD CANNOT ATTEND THE EXCURSION.**

PLEASE NOTE

Some excursion venues are required to collect contact details and are responsible for managing record keeping for contact-tracing in line with current public health directives.

Most venues are required to use electronic record keeping that connects with an Application Programming Interface (API) linked provider or a digital system provided by Services Victoria.

The Department of Health has strongly recommended that a contact number for each individual student is provided. A school phone number alone is not considered sufficient. Providing contact details for individual students will expedite contact tracing so that individuals can be contacted by the Department of Health if required.

Parents/carers/guardians are advised that, when required, the school will be providing excursion venues with contact details for students. The phone number on the school file for the student will be provided as the nominated contact number.
